“ *Ms. Thelma used to babysit me when my mom was working. I loved staying there because I got to play with Sue! The one memory that stands out in my mind is the time that Sue and I were out back looking at some turkeys. The male turkey didn't like that very much and Sue and I had to run for our lives to keep him from attacking us! She was such a sweet friend even after we grew up and I will always remember her and Ms. Thelma fondly! My prayers are with the rest of the family. Carolyn Autry Master*
