What a true southern lady. Carolyn was so much to many people but we will always remember Carolyn for her love for her Savior. Carolyn not only loved telling one about her Savior; but, more importantly her life was an example of that love for all to see. While there will be a void in all our lives, this is the hope that we share to live with our Savior throughout all eternity.

Always had much respect for Grady, Carolyn, and Leatha. Leatha is a special person to me and I will never forget the memories of her and the wonderful parents she had. God bless.
