“ *Im just looking up obituaries of people I know who have passed, I thought if Casey and I decided to leave this.*

I was getting dressed to go to my Mamaw's funeral when I got on my phone to see that Casey passed. He was a dead friend who made deep investments in young guys like me and countless other musicians to better ourselves and to better the music scene. He was a sweetheart and his family was amazing people. It was sad to see he passed but I pray his family holds on to the promise of eternal life all together one day in glory! Love you Casey.
