“ I tried my best to make it tonight. I arrived at your viewing at 9:05 and was too late. As I sit in the parking lot, with the rain hitting my windshield matching the tears spattering my face, I think of you. Your contagious smile; your positive attitude; your happiness and excitement for life. This is, and will always be, how I know you. I am sorry for not being a friend beyond our school years. I pray for your family everyday, and will continue to pray for them in the days to come.
