

Mr. Casey Lewis Russell

June 8, 1984 - February 5, 2020

Casey Lewis Russell age 35, of LaFayette, Georgia passed away Wednesday - February 5th, 2020. He was born on June 8th, 1984 in Melbourne, Florida where he spent most of his life. He graduated from Melbourne High School – Class of 2002 and from Brevard Community College, where he received his Associates Degree. We have many fond memories of him playing football through West Melbourne and Melbourne High School. He enjoyed motorcycles of all kinds, working on cars and trucks and could fix anything. He was the owner and operator of Casey's Autoworx in LaFayette, GA. He was of the Catholic faith. He kept Mama Dukes and Pops on their toes with his teenage antics. He was preceded in death by his Father: Samuel Lewis Russell and his brother: Cody Burchard Russell. He is survived by his Mother: Laurie Lou Russell, sister: Caitlin Louise Russell and nephew Samuel Leigh Russell. His heartwarming smile will be missed by many. We need him more at times like these to make us laugh with his entertaining sarcasm. He was the glue that held our little family together. Casey is gone, but if we keep him alive in our hearts, he will never truly leave us. A private family memorial service will be held at a later time. Arrangements by Wilson Funeral Homes - LaFayette Chapel. An online guestbook may be signed at www.wilsonfuneralhome.com.

“ *What i wouldn't give to go back to the days when our biggest worries were the lap times at swim practice or whether toy and Sam could babysit Devin this weekend. I hate that I know how you are feeling and want you to sincerely know that you can call anytime when the dark times hit. You are in my thoughts and prayers every day my friend.*
