“ Donna, So sorry for the loss of your Mother, there is always a special bond between a daughter and her parents. Lousie was always nice to me while i was part of the family and afterwards also. As long as her and Ruth were able to drive up here they would come to see her great grandchild at his birthday party's. Thinking of you and the family at this time, and you will be in my prayers. Carol (Alexander) Cummings.

“ *My family lived by Louise for many years in Tiftonia. I babysat for her some. I talked with Louise about my boyfriends some. My brother play with her boys. Donna and Dennis were the babies. I was so happy to see her when my mother died in 2011. She was a wonderful person and I wish I could have seen her more. Dad told me some of her children had passed, Remember when Steve did. God bless you Louise and now you and mom can chat again. Prayers to her family. Libby Murray Vaughn*

Thank you so much for your kind words. I do remember living next door to you even though I was very young. I remember your mom often sunning in the yard and your dad having to save us from the snake that had gotten in the house and crawled under the washer. I also remember the Tempeltons across the street.. Donna Alexander McNabb
