What a reunion there must have been in heaven with Michael, Junior, Geneva and Patsy. To know you're in heaven has got to be a wonderful feeling AND to be surrounded by family but then to have your body made whole and experience complete happiness and be free from mortal pain and sadness. I believe Cathy is in a much better place than we are!

I wonder what they're up there cooking? White beans, cole slaw, and pork chops, chocolate pie?

“ Cathy and I were peas and carrots 4th- 7th grade. We were each others person , secret keeper, skating partner , lol buddy , Elvis fans , mischievous partner in crime. I have memories that still require me to LOL. There are songs that take me right to her and our times together. I will always have her and the memories in my heart. I miss her already .

She would want me to end this with , “She was such a VeeVee! “
