“ I feel a warmth around me like your presence is so near, and I close my eyes to visualize your face when you are here, I endure the times we spent together and they are locked inside my heart, for as long as I have those memories we will never be apart, even though we cannot speak anymore my voice is always there, because every night before I sleep I have you in my prayer. Poem by Louise Bailey. Cecil, my Brother, I was there till the end, I will always treasure the time that I spent, no regrets that I have, I was proud of the time we had. Love Your Brother, L.C.

“ I have loved you all of my life and I love you still. My fondest memories are when I had the honor of seeing you baptized at 65 years old, shortly after you gave your life to Christ and on your 80th birthday celebration. The tears ran down your face and you kept saying how much you loved your family, what a blessing! We are separated for a while now but when we meet again there will be no more pain, suffering or heartaches! Heaven is sounding sweeter all the time. Rest now sweet brother with our Savior and I will be there soon! Your "baby sis" Glenda
