“ It's almost been 9 months, Papaw. It still hurts as bad as the first time I heard those words. I still pray that you are watching over us and still guiding us. BLUE EYES still asks when she can see her Papaw, even though she knows you are in Heaven with God. She misses you very much as well. She'll be 4 in a couple months, she is growing up on us Papaw! Well, I guess I need to get off here and get my butt to bed. I love you so very much Papaw! I miss you and I will talk to you again soon.
