“ We met Joey a few years ago when he moved to Ohio for work. He Always had a smile on his face, and was so kind and polite to everyone! He woul talk about his Dad being his best friend & how much he loved & missed him! He also talked about how much he loved his stepmother & sister. He was so proud of his sister, he would show me pictures of her & say don't we look alike 😊 I never got to meet his girlfriend Melissa, but I can tell through pictures how much he loved her, his baby girl & her boys ❤️ In the short time we knew Joey, we had some great times & Will cherish those memories forever!! Prayers for peace & comfort to all who knew & loved Joey 🙏
