From then on I felt like they were more than just friends. Raymond had such a huge heart and was so kind. I loved it when I was sent to his shop, eveyone there was great! Raymond had a special kind of heart and you won't find that too often. Rest in Peace angel Raymond.*

“ Raymond and I have been best friends for 30 years. Anytime I asked him to fix my truck he did a perfect job. I don't know anything he could not fix. He was not only the best mechanic in these parts but he was equally fine person. His death is a major loss. Joe murray

I remember when he had my car at his Rock Spring shop. My daughter had borrowed it for a while and had put all these rainbow stickers all over it. I got a bit crazy and started ripping em all off. It was like he went into "I don't want to be the one to tell her" mode, but he quietly said "you do know what that means don't you" I did and I don't think I have ever seen him so relieved when I said yes.
