“ He adopted me when I was too young to even know it...he always had a big hug, genuine smile and when he said "I love you." I knew without a doubt that he meant it. Will cherish my memories until we meet again.

So sorry to hear that an old childhood friend has passed away. I grew up and went to elementary school with Charles. I had not seen him for many years until I stopped by his home in Casandra last summer and talked to him. His family and mine were Sawmill families and were very hard workers. I sure am glad I stopped by and got to see him one last time before his passing.
