“ I have nothing but good memories when it comes to Chuck, its really hard for me to put in words how much I repeat the stories and things he told me so long ago, I guess one memory I will never forget is playing cards with Chuck and Judy and chuck telling me about chipping ice (inside joke between him and me) he will be deeply missed. RIP big guy...

“ I will miss you Chuck. You had a way to cheer anyone up at any time no matter what they were going through. You were fun-loving, caring, and funny... Warm, magnetic, and very dear to my heart. When I think about you not being here anymore, it truly breaks my heart...I hate that you suffered as you did, but now I know there is no more suffering...no more tears. I know you will be missed by many, but we will always remember how you made us feel.

To the immediate family of Chuck, I am so very sorry for your loss. I know it is tough, and your hearts are broken, but I pray the Holy Spirit will bring you peace and strength at this time. We all know Chuck is in a better place, but we still grieve. It is only natural to mourn the loss of a loved one. So, I pray that you can grieve until it's all out of your system. I feel this is the only way that one can come to terms with a loss, and finally reach a point of peace. May God be with you all at this trying time. Sending Love from my family to yours.

“ Chuck and I always aggravated each other about Judy's dog, Hotdog. He would always say he couldn't stand that dog and I would always tell him, "You know you love her." We would go on and on about it. Judy mentioned to me one day that Chuck was so ready to go home that he even missed her dog. I knew he loved that dog. I am going to miss those times of cutting up with Chuck. We always had fun acting silly. He will be missed very, very deeply. There will never be another Chuck!!

“ To the Waters family,

Our thoughts and prayers are with you all at this most difficult time. Chuck was a real character, but more importantly, he was a wonderful friend and co-worker. He had been fondly dubbed "Super-Foreman" by us in the warranty dept because he was so good at what he did and cared so much about doing it right.

Chuck talked alot about family and was so proud of those grandbabies! And even though it happened way too fast and way too soon, I hope you can find solace in knowing that he is not hurting anymore and is rejoicing with his Lord in Heaven!

He will truly be missed!
