My sweet husband as I sit hear and see this I know you are no longer here with me. I have cherished every moment of the 45 years we had together. I know this is the conclusion of this chapter and we will start Chapter 2 in heaven one day. You gave me so much through the years and you will always live in my heart, our children and grandchildren. I know you are in good hands but my heart is broken. Love you forever and ever Amen.....
