“ *About a year or two ago, me and my nanny, Charlette's cousin went up there and babysat her. She was a kind and living woman. Although I never knew her that much she meant a lot to my nanny. And she is family. We sat and watch TV together and I baked her a cake. We had a blast and I was sad I had to go home so soon. I love you sooo very much Charlette and you will forever be missed!*
