“ *Time and distance did not permit us to have a close relationship, but on the sporadic occasion when we were able to speak, Aunt Charlotte was always energetic, positive, caring, funny, inquisitive...everything you could ever want you Aunt to be. I am very saddened by her passing, and hope that peace and happiness will return to you all soon, and please know that she was thought of often and loved very much by her sister, Totsie (my mother) and the rest of us "Half Yankees"(if such a term can be permitted) in New York and California.*

*Please accept my best wishes to you all, and take care.*
