

Charlotte Jean Mitchell

April 12, 1947 - November 30, 2016

Charlotte Mitchell, 69, Chattanooga, passed away Wednesday, November 30, 2016. Mere words could never define what my momma meant to me and so many others. Momma was my entire world and I can't imagine my life without her in it. I wake up and pray that it's all just a bad dream but it's not. If there were any good in me I owe the thank you to momma. Sickness may have overtaken her earthly body but it could not touch her beautiful soul. She is now in the arms of her Heavenly Father.

She was a wife of 44 years to my daddy, F.H. Mitchel, fondly known as "Wink". She was a devoted momma to Debbie and Donna Mitchell; a loving sister to Shirley Holland, Betty Smith and brothers Gary and Clyde Chandler; she was called "Nanny" by Tony Mitchell and Marvin Reed; but her heart belonged to great grandchildren, Adrienne and Logan Mitchell; she loved her nieces and nephews as well.

My momma just exudes love and compassion and her faith in God never wavered. She had the voice of an Angel and loved singing with her friends that came by to fellowship with her. Momma always was a giver, never a taker. Her true enjoyment came from witnessing to people about all God had done for her and she never felt worthy of any of it. That's my true Angel, I miss you momma with my entire being....Thank you for never giving up on me.

Per Mrs. Mitchell's request there will be no services.

“ I am SO sorry for your loss. Ms. Charlotte was just about the sweetest woman I've ever known. She asked how I was almost every day even though she herself was so sick. She would want a hug the minute I came into the room. She and her daughter Donna Kaye's would bring me cupcakes, and once when I was trying to get my meds for my breathing treatments, she sent hers to hold me over until mine made it to the house. She was an Angel on Earth! To Donna, you're never alone. I will always be right down the street anytime you want or need me. Much love!

“ I don't know who I will go to for spiritual advice. She was always there for me, she always led me the right way. No matter how much I rattled on she listened, and advised me. She will be missed, there will be no one to replace her. I do have to thank God that I knew her. My life would be so void had I not known her. Thank God for her presence, advice, and guidance in my life.

“ *My name is Sandra Morgan. I work with Charlotte's brother Gary Chandler. Although I have never met Charlotte, I have heard so many, many wonderful things about her from Gary. I know she was a wonderful Christian woman who was so very loved. I pray for her loved ones who are grieving her passing on to be with the Lord. I know she will be dearly missed. May God give you peace in your hearts.*

“ First met Charlotte in 1985 at a gathering for our husbands jobs. She was so nice to me an had that big smile never remember a time of seeing her over the years that she wasn't smiling. She had a heart for others an didn't like seeing anyone hurt or down she could speak to you an peace would come to you after I lost my mom an dad she talked with me an she had a way with words it was just a comfort for her talk with me. Bless her she wasn't in best of health last couple of years but she never let it show I know I can't speak the words of comfort to her family the way she spoke them to me but I hope y'all know she is out of pain n not struggling to breath any more. She's in much better place than we are an if she could speak to us she'd say stop that don't be shedding them tears I'm happy an Winks by my side and we are in Heaven an one day we will see you again. Just be strong an keep on praying God will see you thru these bad times just keep your faith in him Donna an Tony our thoughts an prayers are with you an if me an David can do anything just let us know

“ When I was 16, I worked at the Krystal with Charlotte, Peggy Ann, Peggy Newman etc. Older women (to me) We had so much fun, we sang very loud in the restaurant especially at Christmas, I have known Charlotte for years. At work a lot she would say Lynda, you tell these people what I have told you, I would say ' You reep what you sow"...She told me that all the time. Charlottesville has always been a great woman. I miss you Charlotte and love you Donna. Donna Kaye and I shared an apartment when we were younger, we are like sisters, our family has always been close to her family. Prayers for the daily.

“ Donna, I remember the first time I met Charlotte, she had a smile as big as the outdoors. She was always kind to me . You were were just a little girl and Debbie would just grin and grin. I have good memories of your family. Charlotte was one of a kind. Keep all your memories close, they will keep you company at all times. Live you Donna.
