“ Dear Rhonda and family,

I offer my condolences on the loss of your lovely, sweet, beautiful, talented, and devoted mother. I was thinking about the last time I saw her when she had come by the house to get some paint for her cabinets. She was going to redecorate her kitchen. We talked for a long time about her vision of what she wanted.

God bless and comfort you. Remember all the love, joy, and laughter that she brought into the lives of those she knew and touched. I will always remember her smile, laughter, and great sense of humor.

*Love,
John Dixon*
