“ *Forever grateful how you and the whole family accepted me as your own even tho I wasn't blood . Growing up,I always felt very accepted and loved and proud to be apart of the Taylor family. I love you Granny and I will always cherish the memories of the time I spent with you as a kid. You always kept us entertained weather it was swimming in the pool, playing yard games, making home made ice cream and taking us to church . All the long talks we had on the phone and the laughs we shared will always be treasured. The last time we visited a few years ago it came a bad storm. You hugged each of us tightly and didn't want us to leave and neither did aunt Rhonda or uncle Randy but I promise I will see you all again one day and always hold u in my heart until then.*

Heather Clingan - March 15, 2022 at 11:45 AM

Thank you for sharing your precious memory Heather! She loved you and all of her grandchildren very much and sacrificed more than many know or remember. Your Aunt Rhonda, and Uncle Randy loved you as well. I love you!
