“ I selected a yellow candle because you always made me think of sunshine with your beautiful blue eyes and smile. May you RIP and may God bring peace and comfort to all those you leave behind who love so much! I will always remember welcome home hugs when we would attend church visiting Mother. My prayers are with your family during this difficult time. Please tell Daddy hello for me! I rest in the knowledge that one day I will see you again. Love to you and your family.
