“ Thank you for the prayers and kind wishes. Grandmother was a bright shining light in everyone's life and will be missed by many. There were over 100 get well cards and "thinking of you" cards I collected together from her friends and family - such a beautiful and perfect representation of the positive impact she had on many and the friendships she made during her time here. We appreciate the calls, hugs, and overwhelming love from each and every one of you.

We don't have an updated address book to send thank you cards to those of you who attended the visitation and/or funeral, but Grandpa wanted to tell you all he was incredibly humbled by your kindness and is thankful for you all for attending, and we appreciate those of you who have left memories here.

I'd love to gather more memories and experiences from those of you who would like to share - my email is Mrs.ALMeers@gmail.com.

Thank you all again! My grandmother was a wonderful woman and I am beyond grateful God blessed her with not only enough years to make memories with me, but to make memories with her great grandchildren. <3

We love you always,
Ashleigh, Steven, & all the kids

“ Charlotte was a thoughtful and caring family friend for over 50 years. She became an even more treasured friend to me when she offered to be one of my mother’s caregivers when she was in the earlier stages of Alzheimer’s. I was unable to be there as often as I would have liked, since I lived out of state. In many ways, Charlotte, Jean and Betty were able to care for my mom in ways I would have if I were there. We have remained in close touch these past five years since mother’s death. I told her often I would never forget all she did for my mom.

Charlotte was one of the strongest, bravest , caring, loving Christ follower I have ever known. She lived out her faith even when life got hard. She trusted her Lord and Savior with all her heart and knew her hope was in heaven.

I am so grateful for Charlotte and the many ways she touched and impacted my life and my family. Brenda Fuhrman

“ It's hard to believe that Charlotte and I have been friends for 70 years. In high school we were best friends at church but went to rival high schools. Even after all of my moving to different states with my family, we remained friends and currently lived close together. As teenagers we shared so many different things and as adults helped each other in so many different ways. My dear sister in Christ is now in Heaven with Christ and her son Colby and is no longer in any pain or discomfort. How thankful and grateful I am for the beautiful friendship we shared. Loved you so much, Charlotte.

“ During our many wonderful years together as dear friends, if I could have given you one thing in life, i would have given you the ability to have seen yourself through my eyes. Only then would you realize what a dear sister in Christ you have been to me. I'll meet you in Heaven. Shirley Leonard Holland

“ Charlotte was one of a kind and loved by many. I first met Charlotte when meeting Colby (her son) in 1987. I was 16, a single mom, and a high school dropout. I had no idea where I wanted to be or what direction to take. When most parents looked down on my current situation, Charlotte opened her arms and invited me to be a part of their family. From that day forward, we built a friendship that would last a lifetime. Charlotte was the kindest soul and always made everyone feel welcomed. The world has lost a very special person. Her sweet voice and hugs will always be cherished in our hearts.

“ We were fortunate to meet this lovely lady when we moved next door to her son David. Charlotte was such a beautiful person inside and out. Her smile will be sorely missed.
