“ You were such a great person to work with. You always made work better with your kindness and beautiful smile. I will never forget the days we would go grab a coffee together on break. You made me smile even when I was feeling down. Prayers to Kent, Johana, Crystal, Michael and family for peace as they go through this difficult time. She will be missed greatly.

“ You were like a big sister to me. You were always ready with a cup of coffee, a seat in the kitchen and open arms no matter what or when. You made Pie Day a special day for me that I will pass on to generations of my family with stories of you and the beginning of the tradition for me. I love you and miss you already.
