“ Sandra, Kathy, Roy, Jimmie and families, I remember Aunt Christine fondly today and celebrate her HOME GOING!!! Although I cannot attend the visitation and funeral service for your mother, my thoughts, heart and prayers are there in Chickamauga today with all of you. I never saw her that she did not give me a hug and kiss going and coming. As I have always been a big boy as most Brooks's tend to be, she never failed to make sure I had a snack or more when I visited her on that farm off Three Notch Road. It was always GREAT times growing up when Mom and Dad would load us kids up in the car on Sunday afternoon and we would make the short trip over to Chris and Leroy's to play with our cousins and have an awesome time. Of those good times and memories, I will always cherish. Aunt Chris was blessed to live a long and full life, almost 99 years lacking but a month. Randy, Frankie, Eric and I were talking about "How tough" the Padgett girls were not too long ago, and your mom was certainly all that. They all were not afraid to work and work HARD! Now the last Padgett girl has been called home to the house by Jesus and what a reception she received. On Wednesday, she was greeted in heaven by her Lord and Savior Jesus, along with Leroy, Jimmy, Grandpa, Grandma, EL, Jay, Annie, Maggie, Evelyn, Jessie and Mae. What a CELEBRATION!!! One that will NEVER end!!!! I know you miss her dearly, as do all of us kin folk, but through faith we know where she is and who she is with. One day not too far off we will be welcomed by her and all these others to heaven as well. Mary Lou and my prayers are with you. I look forward to visiting with you the next time I am in Chickamauga. Until then, take care and know I love you folks. From Brunswick, GA.....

“ *She was a very special lady. I first met her when she and her husband came to pick up their car that my husband had worked on. He backed out in front of an oncoming car and she was injured. I happened to be home and ran out to check on her and stayed with her until an ambulance came. I don't remember her injuries but she thanked me for staying with her ever time I saw her for long time. She will be missed and remembered.*
