“ *Bill and I have such fond memories of your mother and dad. They would camp with us and fish and tell stories late into the night. Our grandchildren loved them so much too. They came to many of our Nunley reunions through the years. They were both wonderful people. We feel privileged to have had the opportunity to enjoy their fellowship and love. We miss both of them so much.*

I sent a couple of pictures of them at the Nunley reunion.

We are thinking of you in this time of sorrow. The greatest comfort comes from the promises we find in God's word, the Bible. Our beautiful future will make our present tribulation seem momentary and light.

*Love you,
Bill and Bonnie Nunley*
