“ Chris was an amazing human being. He didn't speak many words but you always knew what he was thinking! He loved his family even though we all drove him crazy most days. He was funny and liked to laugh. He loved his nieces/nephews and would a lot of the time sit in the floor and throw stuffed animals or balls to/at them to get their attention. I spent several one-on-one days with him and it was pretty special although I'm pretty sure I drove him crazy (but he was thankful for his special treats he always got from his Amy) I will miss his crazy growl and him throwing things at me to get my attention! Love you Chris you will be missed but I know I will see you again! I'm excited to see what you have to say! Love you buddy
