“ *I haven't seen Christopher since he was a small boy, but I guess, in a roundabout way, I'm responsible for the fact that he was born. I introduced his parents to each other, many years ago, and I'm thankful for their friendship to me. To the Davis and Wilson families..... my love and prayers are with all of you.*

My condolences to my dear friend Timothy and his family. I remember Christopher as a toddler walking out of the bedroom of my old house. My family truly loves all the Wilsons. Heavenly Father bless
