“ I met Cliff in high school. We were in the band. Cliff, Colin and I shared some fun times at band practice and football games. After high school, we did not stay in touch. 3 years ago, I was having a moving sale, and who shows up? Cliff. We stood in my front yard and talked for 30 minutes. It was a wonderful reunion. That was the last time I saw him. I did not know of his illness. I will be praying for the family during this most difficult time. May God give you comfort in this time.

“ Cliff and I developed a friendship over 12 years ago and through the years would keep in touch and catch up on what was going on in our lives. He was thoughtful and caring and his friendship and compassion will truly be missed.
He has found peace and will be in my heart and memories.
