“ I met Clinton first at Walker County Fire Department station in Rock Springs. He went on to find various ways to serve mankind at several ambulance services and fire departments. His contribution was noticed by Georgia EMS Region 1 and his presence will be certainly missed. Godspeed to your reward. Your work on earth is done. We will take it from here.

“ I can't even begin to put into words how much you meant to so many people. You were always smiling and quick with a joke. You made everyone around you feel like you were the best of friends and I know you would be the first to lend a helping hand if needed. You gave some of the best hugs ever, complete with picking you up off the ground. You may be gone but you will never be forgotten. I know you will be watching out from Heaven like you did here.

Paul, Sheila, and Sara - there are no words adequate enough to comfort or console you right now, just know that we love you, we are lifting you constantly in prayer, and we are here for you always. We are truly heartbroken at the loss of your precious boy, he really was one in a million. Our boys all thought the world of him.

“ *I've had the pleasure of knowing you for many years and have seen your skills as a medic. More importantly, you were a great friend. Most important, you were my wife's best friend and you taught her so much as a medic and helped shape her into the medic she is today. I know I will never again get to aggravate you about your size 15 shoes when you come to Memorial ER. You were a great friend, medic, and truly one of the best people I have ever had the pleasure of knowing. Until we meet on the other side, Puckett 804 clear.*

“ I had the sheer joy of working with Clinton from when he was just a babe out of h.s. up until he got to doing the EMT runs. I watched him grow from a babyfaced young man into a confident and highly capable gentleman. I worked with him closely at Hutchison as both a patient care tech and in the EKG room where I trained him. During that training I learned a lot about what kind of man he really was. He had some kind of heart. His sense of duty, respect and compassion was not something taught, it was just something in his soul. He was funny, generally cheerful and a true pleasure to be around. Excellent caregiver, etc. I truly cannot say enough good things about him. He was a "a good egg", a special, beautiful person. The fact he is gone is gutting and so tragic, but please take peace that he is in the best place he could be if not here with us. I have ZERO doubts of that fact. My heart and prayers go out to all of his family and friends who loved him. He was a gift while he was here and he WILL NOT ever be forgotten by those who knew and loved him. Conversations with him were always wonderful and full of humor and life. Clint made a lasting impression on so many people. He had so much passion in everything he did. I loved him to pieces. “ I owned a local restaurant in Ringgold for 4 years. I am also a RN and have respect and a special place in my heart for first responders. I have several members of my family that have served as first responders. One day Clint came into the restaurant with a co-worker. My 3 year old granddaughter was there and she saw their uniforms. She wanted to know what they did. I told her. She asked me their names. I told her I didn't know but I thought they would tell her if she asked. Caroline walked right up to them and said, my name is Caroline. What's yours? Both of them told her and she repeated them back and said, have a good day. They were so kind to her. When they left Clint came up to the table and said to Caroline, "it was nice meeting you Caroline. You have a good day too." After they left she said to me, grandma isn't Clint a nice man? He made a great impression on her and myself and my Mother. Thank you for sharing your loved one with all of us in North GA. He will be missed.

Clinton took such good care of me in June of 2018 when I had a heart attack. On the ambulance ride to the hospital I knew he was a special guy. 7 years later he still crosses my mind. I pray his family is comforted in knowing our Lord needed him home!
