“ I got to know Dugger & Jeep about ten years ago. They became friends to me I enjoyed visiting their garage and we had fun just talking. I got my truck stuck in a field Dugger offered to pull it out for me I tried to pay him for the help he wouldn't take it. Because that's the kind of man he is. Cheers Dugger you'll be in my thoughts!

Dugger was always so cheerful and fun to be around. Arvil Wallace thought the world of him and started a knife collection for him. Dugger took me for a ride on his motorcycle. My deepest sympathy to Jeep and all the family. I have thought of Dixie and Dugger often through the years. May God give you solace as only He can.

“ Beautiful Dixie told me years ago (before I got married) that "you can always trust a man with blue eyes." I'm sure that was one of the things she loved most about Dugger. The world lost a good, honest man. Rest in peace.
