“ Dear Terry,

*I'm so sorry to hear of Conni'e passing. It was a shock to hear as Connie and I had conversated back in March at the library. it was good to talk with her as we grew up in the same neighborhood but didn't see each other much. My prayers and thoughts are with you and your family. I was blessed to have known such a sweet, kind person as Connie was.*

*May God grace and mercy fill your heart!*

“ *To The Family,  
I am so sorry for your loss. My heart goes out to you in your time of sorrow. May you let God's Word comfort you when it reads, “If a man dies can he live again? ... You will call, and I myself shall answer you. You will long for the work of your hands.” {Job 14:14, 15}. God will have a longing to resurrect our loved ones who have fallen asleep in death.*

“ *Dear Haney Family,  
Please accept my sincere condolences. I can only imagine your feelings at this time but do know the feeling of losing someone I loved. In time what brought me comfort are the words found at John 5:28,29. Perhaps you will be able to think of the times ahead that will allow us to be together with our loved ones again on a paradise earth forever. Rev. 21:4 reminds us of this when tears, pain and death itself will be gone. May these thoughts in time help your family too.*

“ When we were growing up, all of us children spent a lot of time with each other but as we grow older, we tend to go our separate ways. I only had the opportunity to see Connie a few times over the years but I always knew she was a sweet, caring person.

*I think she could be a very private person at times which is a trait I totally respect. So many people, family and friends, have commented on how much she loved her family and how much she also did for others. She will certainly be missed by many.*

*My wife and I extend our deepest sympathy to all her family. We pray for God to give them peace and provide them all with comfort through this most difficult time.*

*With our thoughts, prayers and love,

“ Connie - I will miss your laugh, your smile, your bare feet, your willingness to drop what you were doing to help me when I needed something, and your love for animals. The library will never be the same. The Friends of the Catoosa County Library have definitely lost a wonderful soul. Our hearts go out to your family.

“ My thoughts and support go out to Connie's family and friends. I knew her from Friends of the Library and through her work with the library. She was always a ray of light - a beautiful soul. I always enjoyed speaking with her and enjoyed her sense of humor. She was always willing to offer assistance without complaint. She will be greatly missed by me and many others.

“ I never got to meet Connie face to face, but spoke with her several times on the phone. She was the person who saw that my son, who has autism, was able to start volunteering at the Catoosa County Library. Her love and compassion for people with challenges is the one thing that stands out to me during our conversations. My deepest sympathies to you all with prayers that you feel God's warmth and peace surrounding you in the days to come.
