“ *I was so blessed to know this lady so many years ago. I was only 18 and went to work for her at the daycare I was the lifeguard in the summer. She was so much more than a friend she took me in and made me part of her family. We always had so much fun it was Connie, JoAnn, Sister and myself. She always had a smile on her face and made sure that you did also.*

Mike and family am so sorry to hear this but one thing that you all know that she is walking the streets of GOLD and that is great for a lady that had the HEART OF GOLD... She was a great person and she will missed so much.

Brent, I am so sorry and if I can do anything for you or the family please let me know.

“ So sad to hear of this... Connie was such a sweet person.. Whenever I had a problem concerning the school bus I always went to her for advice. She remembered each of my family that had road her bus in the past and would always ask how they were doing..I would climb on her bus each day to talk until the kids came out and we would share the news...and laugh....Heaven has gained a beautiful angel but we here on earth have lost a dear friend...My prayers are with her family today.... Godspeed Connie...until we met again.....

“ Mike you know we go away back and Connie and Janet and all of your family grew up on that road where Connie's mom and dad and all of us lived for all those years, one of the only fights I had with a girl was with Connie! they were like family to me as was you and your brother and all the other neighbors who lived in that little section of Lakeview which was to me the best years of my live if I wasn't at their house we were at yours and ya'll was at Granny Parsons house with me and all my sisters and brothers I was very sorry to hear the news I saw Connie one day at a doctors office and she had been sick it's amazing the great memories we all had in Lakeview the best place I know of and still today you can go by the old home places and you can see us playing in the yards like we all used to do! Only God can now fill the void but everytime you think of the good old days remember me and you and Connie and all the old gang that roomed those hills between your house and ours and the wonderful times we had! I love all of ya'll and will always hold a special place for Connie and you! May the Lord bless you and give you peace and give you strength thru this time!

“ *Dear Lowery Family,
Please accept my sincere condolences. I can only imagine your feelings at this time but do know the feeling of losing someone I loved. In time what brought me comfort are the words found at John 5:28,29. Perhaps you will be able to think of the times ahead that will allow us to be together with our loved ones again on a paradise earth. Rev. 21:4 reminds us of this when tears, pain and death itself will be gone. May these thoughts in time help your family too.*

“ To the Lowery family,

I did not personally know Connie. I taught school at CCA and HHS before retiring 5/30/13. Through the years I had seen Connie at Transportation meetings because I drove the bus for several school activities when a regular bus driver was unavailable.

I hope you will accept this note from me as an expression of my sorrow for your loss.

“ I have known this family since I was a child and I have always loved you all. Connie was the most loving and caring person you would ever meet. She always told me like it was even if I didn't want to hear it. I love you Connie and I will miss you dearly.
