“ Connie was one of the dearest ladies I ever knew. So kind, funny, loving and a wonderful cook. I was lucky enough to have a phone conversation during my visit to Chattanooga, a couple of months ago. As always she was upbeat and so sweet. Gary, Kerry, Jennifer and Maddie my heart truly hurts for you all. Lean on the Lord and HE will get you through one day at a time. - Teresa

“ *I am one of those internet friends having never met Connie in person. We met through a decorating site on Yuku which later morphed into Facebook. Our group shared not only decorating tips but our life ups and downs as well. Connie was a treasured member. We all prayed for family situations and health concerns. It was a joy to see how much she enjoyed her family. Seeing Maddie grow up through the eyes of a loving grandmother was a treat. She will be sorely missed. My heartfelt sympathy to all the family.*

I am really at a loss for words (That is hard to believe for me). Connie was so special to me and played such a important role in my life. She was the "Godmother to my daughter "Cherish " and a great friend and emotional support system to me. She has helped me with her kind words of advice & wisdom over the years. There was no one like her. I loved this woman. I will constantly grieve and hold s special place for her in my heart as I know God had a special place for her in Heaven. I love and will always miss you Connie McGill.
