

## Connie Melissa Norris

November 7, 1961 - June 5, 2026

Connie Melissa Norris, 64, of Flintstone, Georgia passed peacefully from this life on June 5, 2026. Although her last years were a battle against Parkinson's disease, we will choose to celebrate the years in which she was able to live vivaciously, to pursue her desires, and to enjoy the beautiful world around her with family and friends. Above all else in this world, she loved her children and being Nonnie to her grandchildren.

Connie was born in 1961 to the late William and Avis Norris in Gainesville, Georgia. After high school and college, she eventually married Rhett Ouzts in 1986 and had two children that were her pride and joy. Connie spent many of her working years with Burner Systems International. She supported her family in every way she could.

Mom loved making crafts and attending fairs, hitting the water in her kayak with Melissa and the boys, swinging in the hammock, movies in the hot tub, beach trips with toes in the sand, and rafting the Ocoee. She never missed an opportunity to do something fun when she could.

Connie's love will continue to be felt by her daughter, Melissa Richardson; son, Justin (Chandler) Ouzts; Rhett Ouzts; grandchildren, Alex, Connor, Zoe, and Reese; brothers and sisters Tony (Nancy) Norris, Carol (Larry) Crewey, Billy Norris, Todd (Elizabeth) Norris; and numerous other friends and family members that she loved to see and spend time with.

Visitation will be held from 2-5PM on June 10, 2026 with a memorial service to follow at 5PM in the chapel of Wilson Funeral Home (Fort Oglethorpe, GA)

with Pastor Derrell O'Neal officiating.

In lieu of flowers, a donation may be made to the Parkinson's Foundation.

Arrangements by W.L. Wilson and Sons Funeral Home-Fort Oglethorpe.

“ I was diagnosed with Parkinson’s disease four years ago. For over two years, I relied on Levodopa and several other medications, but unfortunately, the symptoms kept getting worse. The tremors became more noticeable, and my balance and mobility started to decline quickly. Last year, out of desperation and hope, I decided to try a herbal treatment program from NaturePath Herbal Clinic. Honestly, I was skeptical at first, but within a few months of starting the treatment, I began to notice real changes. My movements became smoother, the tremors subsided, and I felt steadier on my feet. Incredibly, I also regained much of my energy and confidence. It’s been a life-changing experience I feel more like myself again, better than I’ve felt in years. If you or a loved one is struggling with Parkinson’s disease, I truly recommend looking into their natural approach.
