“ I just now learned that Connie passed away. Her mother was a dear friend of my mother’s from childhood. I would go to Woodville AL in the summer to spend time with my Aunt Ivella and Uncle Holland Crumley. Connie Sue was living next door at her grandparents home. We made some wonderful memories during those carefree summer days. RIP Dear Connie.

“ I first met Connie a few years ago on my way to an event in GA. She was an admin and counselor in the military scammers group I run on FB. She was really good at what she did with our victims. She is everything I thought she would be when I met her. She was the sweetest, kindest lady I know. She had a heart of gold. Every year that I have traveled to GA, I always stop and visit her and Arnold and sometimes stayed with them for a night. Now I wish it had been longer. She was so very dear to me and I loved her so much. Arnold was the best thing that could ever happen to her. He is a sweetheart. My heart is broken over losing her. I just wish I had taken the time to spend more time with her when she was alive. I live 16 hrs away, so it was hard. I will miss her so much. My heart goes out to Arnold and the family. I couldn't be at the services, as much as I wanted to be. I wanted to be by her side when she left this earth, if I had my way. Rest easy my dearest friend. We will meet again in time.

Love you always, Geri
