“ Tommy and family,

*We are deeply sorry for your loss. We pray that God would put His loving arms around you all and hold you close. We are so thankful that God's promises are true - that He will be with us allways and we know His grace and mercy will be with you in the days ahead.*

*You were there for us when our father and mother crossed over and although distance has come between our families - our heartfelt symathy is true and our spirits rejoice in knowing that Heaven will be sweeter for all the souls gone before us.*

*May God grant you peace and many blessings in the days to come.*

*Keep on keeping on!*

“ Your Mom was such a special lady. I remember when we gave you a 40th birthday party. You had the flu, but where there is a party, you had to come. Of course we had to tell many 'fibs' to get you to the fire house. Your mom was so tickled to see how everyone in the community had come together to celebrate your birthday. She laughed so at the 'Supreme's' aka/ Higgins. We really enjoyed the day with her. She had such a sweet spirit about her. When God put the Holy Spirit in her she let it be known, that is what made her so beautiful. Love to your family from the Cornwell's.

*You are in our thought and prayers. I leave you with this blessing:
