“ Our thoughts of deep sympathy are with your family during this sad time. There aren't any words to remove the pain so .may God give you the support (Ps.34:18) and help needed as you try to cope. Crystal will be sorely missed and will always be lovingly remembered.

“ Crystal,
I wish we got to actually get together like we talked about. I know you are looking down on your babies. I know my brother will take good care of them. You will be guiding him. Please watch over us and guide us in the right direction. I will see you again.

“ It's still so hard to believe you're gone. You fought a long hard battle that i wish you didnt have to fight. You are my first niece and it was a joy and honor to watch you grow into a beautiful young woman and loving mother. You loved your babies and family so much and now that you are a beautiful angel I know you will still be watching over them . Miss you and love you. Debi

“ It was with honor that i called you my niece. I watched you grow from child into a woman that we all where proud of. You where truely one of the toughest ladies to have dealt with everything you had to and still have a smile on your face. You will be missed greatly but you are no longer in pain. Forever grateful that i and such a wonderful person in my life. Love your Uncle Ben

“ Where can I even start? You were so kind, so sweet and the best darn mom I've ever met. I have never met a young mother like you that loved your kids with every ounce of you. I remember we would all go out and you'd say nope got the kids. Then finally after months of beggin you you gave in and came to my pool party and you almost left because the kids wanted you you cried because they cried. You always put others above yourself. I remember the day you came into the office and told me I knew you would give cancer the biggest fight it had ever seen. Oh and team monkeys haha. I miss you so much I know we got into over stupid stuff but who don't argue sometimes. I hope heaven is beautiful and I hope it's everything you imagined it would be! Please know as long as I am breathing I will be there for your mom and kids if they ever need me. We miss you girl so much!!!

“ *Crystal,*
I just wanted to say that I miss you so much and I think about you everyday! If I could have taken your place I would in a heartbeat! I remember like it was yesterday we were up at Grandma Lance's eating salty cucumbers and you would read stories to me! I know that you're in a better place now and your not suffering and your with Grandpa Lance and the rest of the family, please tell Grandpa I said hey! You were my best friend and my role model I looked up to you! I love you Crystal I hope to see you on the other side one day! Rest In Peace Beautiful!
