“ This world will be a less bright place without Wayne in it, but I'm very thankful to have had the opportunity to visit with him again a few months ago. His lighthearted sense of humor and positive attitude shone through as always that day. It is a memory I shall cherish. His legacy as a husband, father, grandfather, and now great grandfather is reflected in the lives of the loving family he leaves behind.

“ *Wayne was always so friendly, helpful, and kind. I always appreciated his help gathering, delivering, and/or loading up pears from their tree. 🍏 He and Donna were the sweetest couple and he raised 2 wonderful children. We know Becky was his favorite (🥰) and I had the pleasure of going to high school and college with her. I know Wayne will be greatly missed by all that knew him. Continued love and prayers to the family.*

“ TO THE CHRISTOL family. Donna and Wayne sat next to me in Sunday School and I love talking to both of them. Wayne and I would chat while Donna was trying to tell us things we needed to know. I always enjoyed talking w/ Wayne and will really miss him.
