“ My daddy, Curtis Lynn Mayton, had a heart of gold and would do anything to help a person in need, even if that person were a stranger. He is and will always be an inspiration to me because no matter how hard life became he kept a smile on his face and remained positive. My daddy loved to make people smile with his sense of humor and infectious laugh. I wish he had gotten to spend more time here with us, but knowing that he gained his wings and is free of pain gives me comfort. So rest easy and fly high, daddy. I love you and I'll see you again someday.

“ My "Old Man" had one of the best hearts of anyone I've known. He was always quick to crack jokes and brighten any room when amongst friends. He will be missed by many as I have for sometime already! Fly high Old Man, there's nothing holding you back now!
