“ *Pam,
When I close my eyes and think of Cindy ,I see a skinny little girl with a cowlick in front. We grew up and family moved to other places and we all lost touch with each other, but I will always have my memories. I can imagine Cindy has been sitting up there in heaven with everyone that has passed before her getting and giving lots of hugs. Your mom is getting to hold her baby again after all these years apart. Loves and hugs*
