“ *Cindy and her Mom, Mrs. Johnson, were our first, best, favorite and most loved neighbors and friends. Cindy was always there when we needed her and she was there when I most needed a friend. She got me out of a deep depression and back out into the world. I don't have many friends and I don't get out much but I counted her as a good friend. She was so sweet and funny and just Cindy. The first time I talked to her it was like we had been friends forever and it stayed like that every time we got together. My cool Cindy. With tears in my eyes as I say this ~ 'til we meet again, you're taking a little piece of heart with you Butterfly ~* ”
