“ Diane was a big part of helping get the Macon Transitional Center off the ground when I joined as the first Clinical Director 48 years ago. And when I was again in contact with DOC as a consultant with MHM, Inc. I was so happy to hear her name again up in N. Ga. Now that smile is on this page, and I know how sad that has to be for you, James. She was a great person, and your marriage was a strong and special one. You're both in my thoughts.
