You will be missed!! Glad our children got to meet you and have you joke around with them. Those are memories they will have forever. Along with your catch phrase..."You don't even like us". I will miss you saying Hi Meaness to me when ever visiting the house. May you have the Peace that this crazy world wouldn't let you have.

“*Hi, I am sorry, you don't know me, I heard about your uncle Dale Welch, myself and my 3 kids knew Dale, when he lived in Indianapolis, he was the boy friend of their grandmother Barbara Lafollett, I am so sorry for your lose, Dale was a great man, and he was always there for me and my kids, he loved them like no other, he was grandpa to my kids, that's what they always called him, and I wouldn't have had it any other way, he hugged them and kissed them all the time, always loved them, always joked around, I told my kids they are 19, 21, and 23 now, they can't stop crying, we have tried to find him so the could reconnect with him with no luck, I wanted to send my condolences to his family, I am so so sorry for your loss, Dale will forever and always be loved and remembered as a fun loving grandpa, who loved his life and loved having fun. Once again I am so sorry for your loss.*
