“ *Damon had an extremely deep voice, yet I never heard him raise his voice once. He usually sat in a room quietly, and didn't say a whole lot at family gatherings. I know he loved his 2 sons dearly. I remember that he worked from a very early age...either 14 or 15 years old. With one of his first paychecks he bought me a beautiful Red-haired doll for Christmas. I will never forget what that doll looked like and how kind it was of Damon to spend his hard earned money for Christmas presents that year. I truly miss him.*
