“ Dan helped me decide which Harley would be best for me even though I was going to be buying it in Florida. And he greeted me every time I came home to Chattanooga.
He was especially nice when my sister, Jimmie DeVaney died. He gave me a hug as soon as he saw me. I was pretty shaken up. I was shocked when I heard he had passed.
My heart goes out to his family.

“ Dan the man. Always made me smile. Never BS me, well maybe a little, but I knew it :-)
Even though he was going through his own troubles, he always worried about mine and my family. You made a difference and will be missed.
