“ *Dana was the most precious friend a girl could have. We had so many happy and fun times together in school and out. Dana was a friend to every one, she didn't have a mean bone in her body. She was always happy and full of life. She touched my heart in a way no one else has and I will never forget her.*

I love you Dana, rest in peace my precious friend.

*A rush of wings
they flutter high
to touch the sun
and kiss the sky
A butterfly
is with us now
No more a caterpillar
upon a leaf
Dana with angel wings
A soaring butterfly
with us they sing*

“ *I have been fortunate enough to have spent many hours talking and having fun with Dana. We would always have fun at work or out and about. Her and Johnny taught me many things about dedication, pride, and honor. Dana never turned me away when I needed her for anything. Done everything she cod and more. I'm burdened by the loss and for Johnny. It I know she has went home. Never to be forgotten.*

“ *Dana was more than just a special person. She truly was an angel on earth. She was always happy and always had a smile on her face and ready to help anyone anyway she could. We lost touch over the years and ran into one another and it was like nothing had changed. My heart is broken for Johnny, Chad, Codi, and the rest of her family. Much love to you all and we will see you again Dana!*

*Love,
Carrie*

“ *To be absent here is to be present with the Lord..... Dana has received the ultimate healing! She will be missed here in this life, but Someday in Heaven what a reunion there will be!*
I remember I ran into Dana one day, while Tony was sick. And she gave me the best hug! That day had been a rough one for me, and that hug was much needed! She touched my heart just by a hug!
Johnny, you and the whole family are in my prayers! I know hearts are breaking today and will be in the days ahead! But I pray God wraps His arms around you all and comfort you! May He send His peace and wrap it all around you in the upcoming days/months/years to come!
God bless you all!

“ Dana was a very bubbly, enthusiastic lady. She was always glad to see you, and brightened the lives of everyone around her. She was a very hard and dedicated worker, and always gave her very best at whatever task was before her. Whether testing yarn, baking a cake, praising Jesus, or loving on her family(especially her grandbabies), she gave it her all.

I know that everyone is very proud of how she has faced her trial with cancer, and we know that she has won in the end, having found salvation in Jesus Christ. We that are left here to carry on will miss her greatly, but we know that Heaven has just gained a truly wonderful soul. She is now truly healed, and will never again have to suffer.

I will continue to pray for Johnny and family for your loss, but please know that Dana is fully healed and with the Lord, and you will see her again someday.
