“ *Danetta was always such a sweetheart! I worked with her for many years, and she cared so very much for the residents, and treated everyone she encountered with respect. She worked hard to meet the needs of her patients, and to provide for her family. She was definitely one of those people that you will always feel such a void in your life without. I am so very sad she had to endure so much in her short life and am so very sorry for her, and everyone who loves her* ❤️

“ *Dee was the type of person that everyone wanted to have when times were tough. I had the privilege of meeting her because I was a mentor to her son and daughter. Denetta was hands down the most supportive mom I had ever seen. No matter where her kids were or what they were doing she was always behind them %110. Anytime that I was ever around her it seemed as if she always had positive things to say and she was always helping people out. I remember countless times when She would buy things and food for kids that she didn't even know. Danetta I can't tell you how beautiful you are and I only hope that you will miss us as much as we miss you. We all know for a fact that heaven just gained a gorgeous angel.*

Rest in peace, Danetta. I will see you again someday.

Jacob Rogers.

“ *I loved her like a lil Sister when we worked together... One funny time sticks out in my mind.. We both went in to clean up Puke , Both of our weakness..We ended up holding the trash can for each other, after wards we drunk a monster smoked a cig and laughed at each other Bad thing was her Momma fixed her a plate of food and we both shared it.. We said man we just wasted all that good food.. Another thing I can say she loved her Family and her Children, She would talk about them all the time.. Here is a Pink candle for you Chick , I know that was your favorite color*

“ *It broke our hearts to lose you, but you did not go alone. A part of us went with you, the day God took you home. If tears could build a stairway, and heartaches make a lane, we'd walk our way to Heaven, and bring you back again. In life we loved you dearly, in death we love you still, in our hearts you hold a place no one could ever fill. Dee, God gained a beautiful soul the day he called you home. My heart hurts so bad knowing you are no longer here. I love you so much and I will never forget you.*
