“ I want to extend my sincere condolences to the family. May God grant you peace and strength during this time. Keep your loved one alive always in your hearts and remember all the beautiful memories given to you by them. In the very near future, the following scripture will be a reality. Revelations 21:4 says, “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” May God's words bring comfort to you and the family at this time of sorrow.

“ Big Dan was one of our "tribe" at Spectater's where our band played...we always looked forward to bear hugs, silly jokes, huge laughs, smiles, and true friendship whenever he was around! We will always remember his kindness, loyalty, laughter, sweet spirit, great sense of humor, and sincerity. All our love to his sweet family and friends. May his precious soul rest in eternal peace with Lord Jesus. We will always love you, Dan. ♡♡

“ If you knew Big Dan then you were one of the hundreds of lucky people in life. He was always there when you were about to get yourself in trouble. He was a voice of reason. I am truly lucky to call him my friend. I shared this on Facebook but have to tell a joke he made up about me. He walked up at Adcox one day and called me Bevoloti (be vo lot e) I said whats that he said your new name. I looked at him puzzled and he said "Bevoloti got more head then he got body" I have always laughed at that and always will. He was a real friend and a great guy. Dan you will be missed
