“ *Very saddened to hear about Danny. He was the very best person I knew in so many ways. I visited him at Cedar Grove Elementary one day and it was very obvious how the kids felt about him-they loved him. I know he must have been a terrific teacher. I never heard him complain about the hand he was dealt, just took it in stride. As Ruth, Jerry, and Kenny know, I spent many days and nights with Danny when we were kids, and later as young adults Vikki and I and Danny and Jan spent lots of time together. Even though we haven't seen or talked as much in recent years, Danny was the absolute best friend I ever had. I know Cliff, David, Rodney, Ruth, Kenny and Jerry, as well as the rest of his family, will miss him greatly. So will I. Vikki's and my thoughts and prayers are with you guys.*

“ Dan was truly one of the best men I have ever met. Always kind, humorous, laid back, full of compassion and love. He loved his family, his students, and his coworkers well. I worked with him a long time, and never heard him say a mean word about anybody. His wonderful qualities will live on in his children and grandchildren for decades to come. We were all blessed by his life and legacy. He will be missed greatly.

“ An amazing man, colleague, and friend. He taught me a lot during my time teaching and coaching with him. He helped a young guy, myself, become a responsible man. We shared many laughs and fun over the years. I know wholeheartedly that he loved his family with all his heart. He was an inspiration to me and I live by some of the tenets of his life that he was kind enough to share with me. He will be greatly missed by all. David Hilley

“ A great man, husband, father and friend. Prayers to his family as they comfort each other in his passing. Dan will be missed as he is reunited with the love of his life, may peace be with him now as he never complained about what he was enduring in life. Thank you Dan for all the advice, thoughts and smiles you brought to not just my life but everyone's life that you touched.

“ Mr. Stoker was the best male teacher that I ever had. I can remember a time where he would take the time to reach me the guitar, I could not get it for the life of me, so he said, "I'll just show you the positions for now, we'll learn more later..." That later never came... lol. He would always love to see me run track during Field day at Cedar Grove Elementary School. He was even my home room teacher at Chattanooga Valley High School. My heart is so grieved right now. We'll forever love Me. Stoker. He was a great man. My prayers are with you Mrs Stoker and family.
