“ *I loved my cousin Daniel like he was my little brother. Few people have the ability to light up a room but he did when he walked into one. I loved to hear him play his guitar even if he was just messing around, he could make that thing sing! He is at peace now and has no more worries and though we'll all miss him every day we have the assurance of that.*

“ *You were the easiest person to love. You were the most creative and talented person I have ever met ,you brought life to the most ordinary of things.*

It's not enough to say how great you were

,because the experience of being near you is a whole new world.

I've never met a more humble and strong person ,a beautiful and precious man inside and out.

I love you ,Reece.

“ *Oh, Danny boy, the pipes, the pipes are calling
From glen to glen, and down the mountain side.
The summer's gone, and all the roses falling,
It's you, it's you must go and I must bide.*

*But come ye back when summer's in the meadow,
Or when the valley's hushed and white with snow,
It's I'll be here in sunshine or in shadow,
Oh, Danny boy, oh Danny boy, I love you so!*

*But when ye come, and all the flowers are dying,
If I am dead, as dead I well may be,
You'll come and find the place where I am lying,
And kneel and say an Ave there for me.*

*And I shall hear, though soft you tread above me,
And all my grave will warmer, sweeter be,
For you will bend and tell me that you love me,
And I shall sleep in peace until you come to me!*

“ *A mothers love for a child is unconditional, I
know how much Daniel was loved by all and I
know how much he will be missed. I bet those
blue eyes are glowing and that Smile is bigger
than it has ever been. I pray for healing for
the family and my dear sweet friend Sheila, I love you like a sister ...

“ Ever since my Brother Ian passed away Daniel and I have been close friends. He was my best friend. We spent most our days outdoors and playing guitar. He introduced me to the band Tool. Which turned out to be our favorite band. Im glad he was able to listen to their new album this year since it had been 10 years since Tool's last album. The last thing we talked about was how much we missed each other and the band Tool. I will forever miss you Daniel, my best friend.
