“ God knew exactly what he was doing when he made you my mother.. He knew you would show me how to survive and hold my head high. He knew you would show me how to be a mother and how to love.. and most important, he knew you would teach me how to be strong, just like you, to deal with pain such as this.. To the best mother, grandmother a daughter could only wish for.. to the woman who has had me when I didn't have myself.. I love you mama. The world will never be the same.. Tell Mamaw, papaw and I miss them.
